## **DETAILED ACTION**

### ***Acknowledgement***

1. This office action in response to Applicant's communication filed on July 17, 2007 with remarks. Claims 17-29 were withdrawn and accordingly were cancelled. As such, claims 1-16 and 30-38 are pending in the application.

### ***Response to Arguments***

Applicant's arguments, see Remarks pages 6-7, filed on 7/17/2007, with respect to the rejection(s) of claim(s) 1-16 and 30-38 under 35 USC § 102 have been fully considered and are persuasive. Therefore, the rejection has been withdrawn. However, upon further consideration, a new ground(s) of rejection is made in view of Buchanan et al (US 7,216,106 B1) as explained below.

### ***Claim Rejections - 35 USC § 102***

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States
